

Disability Confident – Committed

This #DisabilityPrideMonth we are delighted that we have been awarded with the [Disability Confident Committed Accreditation](#).

As a Disability Confident Committed Employer we have committed to:

- Ensure our recruitment process is inclusive and accessible
- Communicating and promoting vacancies
- Offering an interview to disabled people who meet the minimum criteria for the job
- Anticipating and providing reasonable adjustments as required
- Supporting any existing employee who acquires a disability or long term health condition, enabling them to stay in work
- At least one activity that will make a difference for disabled people.

We are bringing together a working group of people within the team who have lived and learned experience of disability to ensure we excel in delivering these commitments.
